

WELCOME TO THE SPACE-TIME QUARANTINIUM

What DAY
is it?

WHERE
are we?

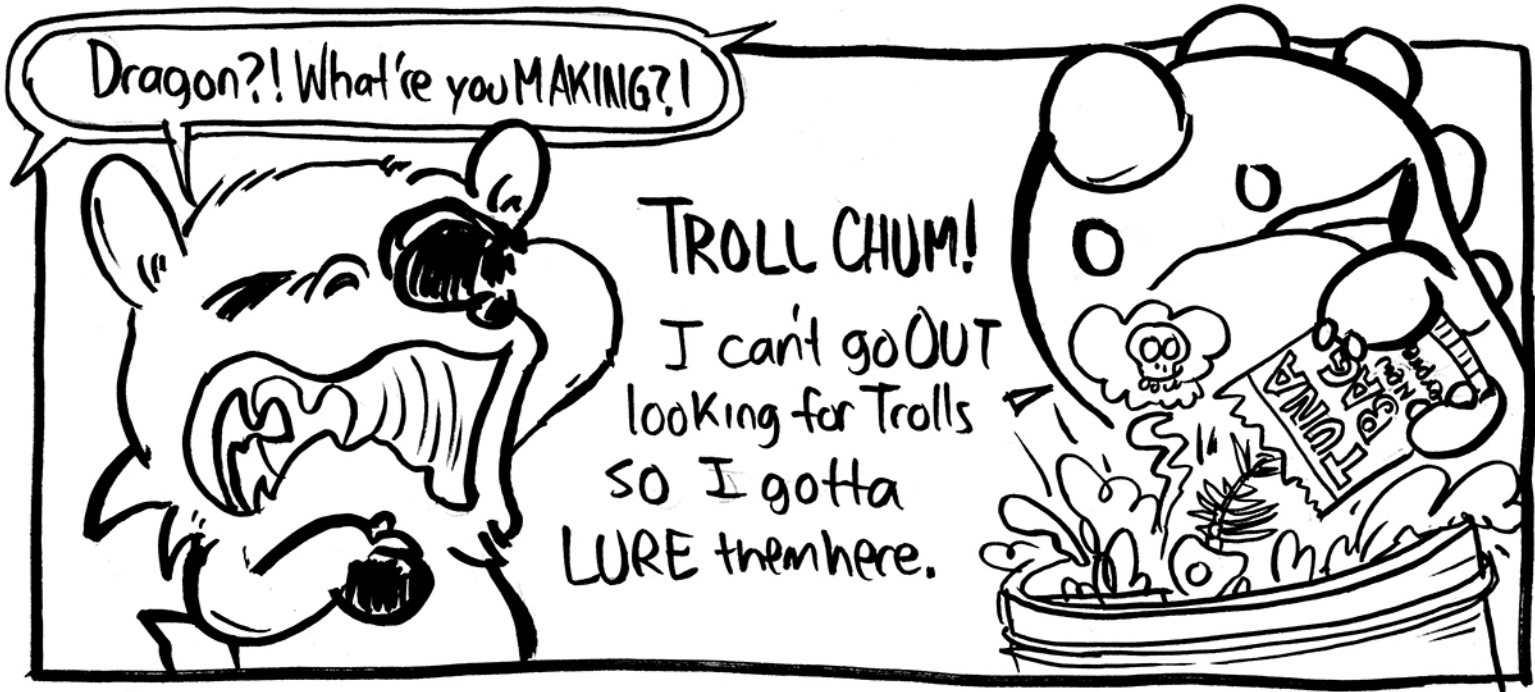

FLOAT
ON...oo

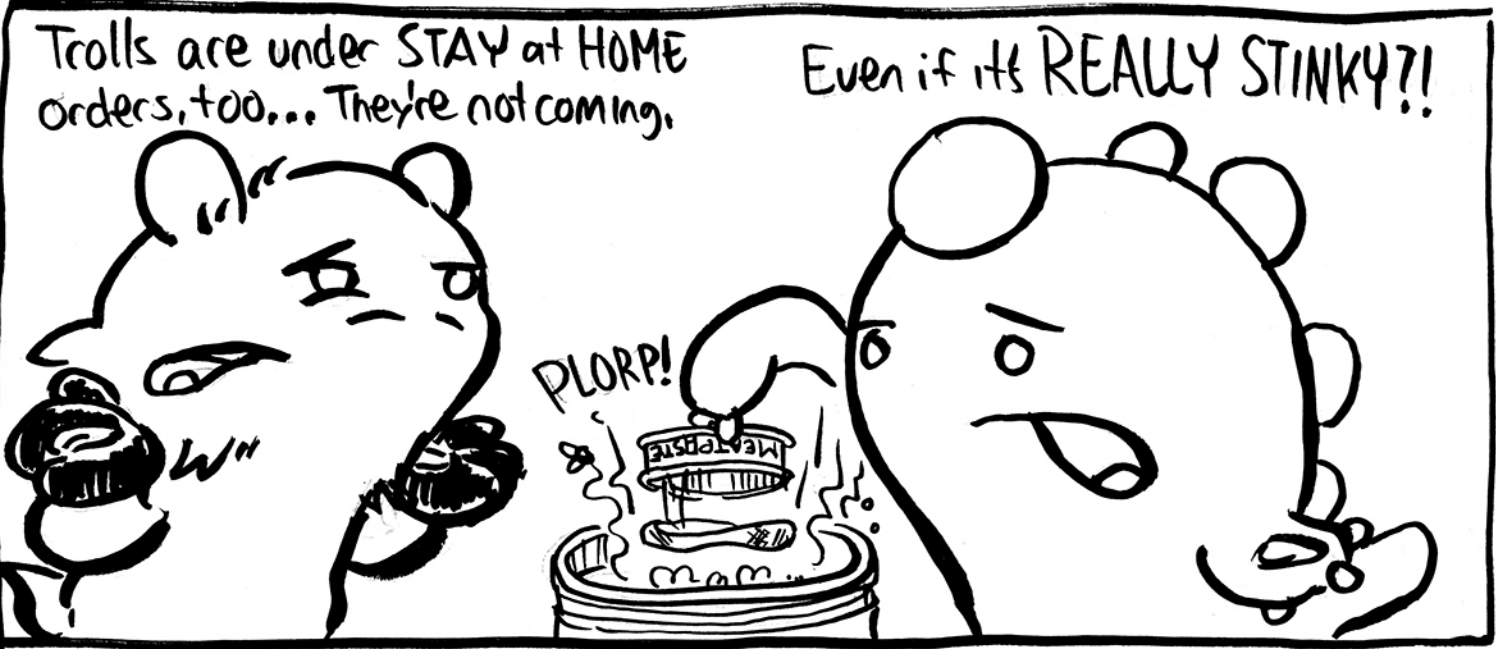

And that's EXACTLY
what I'm gonna do -
I'm GOING on a
TROLL HUNT...
in our HOUSE...

TROLL CHUM!
I can't go OUT
looking for Trolls
SO I gotta
LURE them here.

Trolls are under STAY at HOME
orders, too... They're not coming.

Even if its REALLY STINKY?!

PLORP!

Then I'll just have to MAKE MY OWN!
I'll need your 3D printer, soft tissue
cultures and that CAT SKELETON you
have in the basement.

I was thinking you could
just use these old
toilet paper rolls
and googly
eyes...

GET OUT YOUR GLUE & DIG OUT THOSE TOILET PAPER ROLLS
IT'S TIME TO BECOME a...

TROLL HUNTER!

But before you HUNT for TROLLS you must MASTER the ART of MAKING them.

1 GATHER YOUR SUPPLIES

TOILET PAPER ROLLS

Scissors (with adult permission)

COLOR PAPER

Googly Eyes

PIPE CLEANERS

2 GIVE a FACE

you don't have to smile

Markers, pencils, gel pens - Give it EYES, NOSE, and a MOUTH (or two)

Try these for INSPIRATION

TROLL FACES

will your troll be CUTE or Sinister?

3 MAKE HOLES for LIMBS

STAB HERE

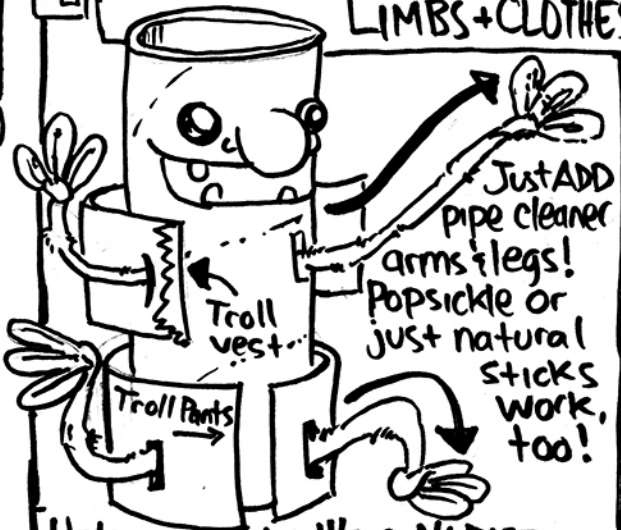

YOWCH!

also PAINT the BODY!

Be careful while jabbing sharp objects into a cardboard tube. Maybe have a grown-up do it - even if you're in a Waldorf School.

4 INSERT ARMS, LEGS & other LIMBS + CLOTHES

Just ADD pipe cleaner arms & legs! Popsickle or just natural sticks work, too!

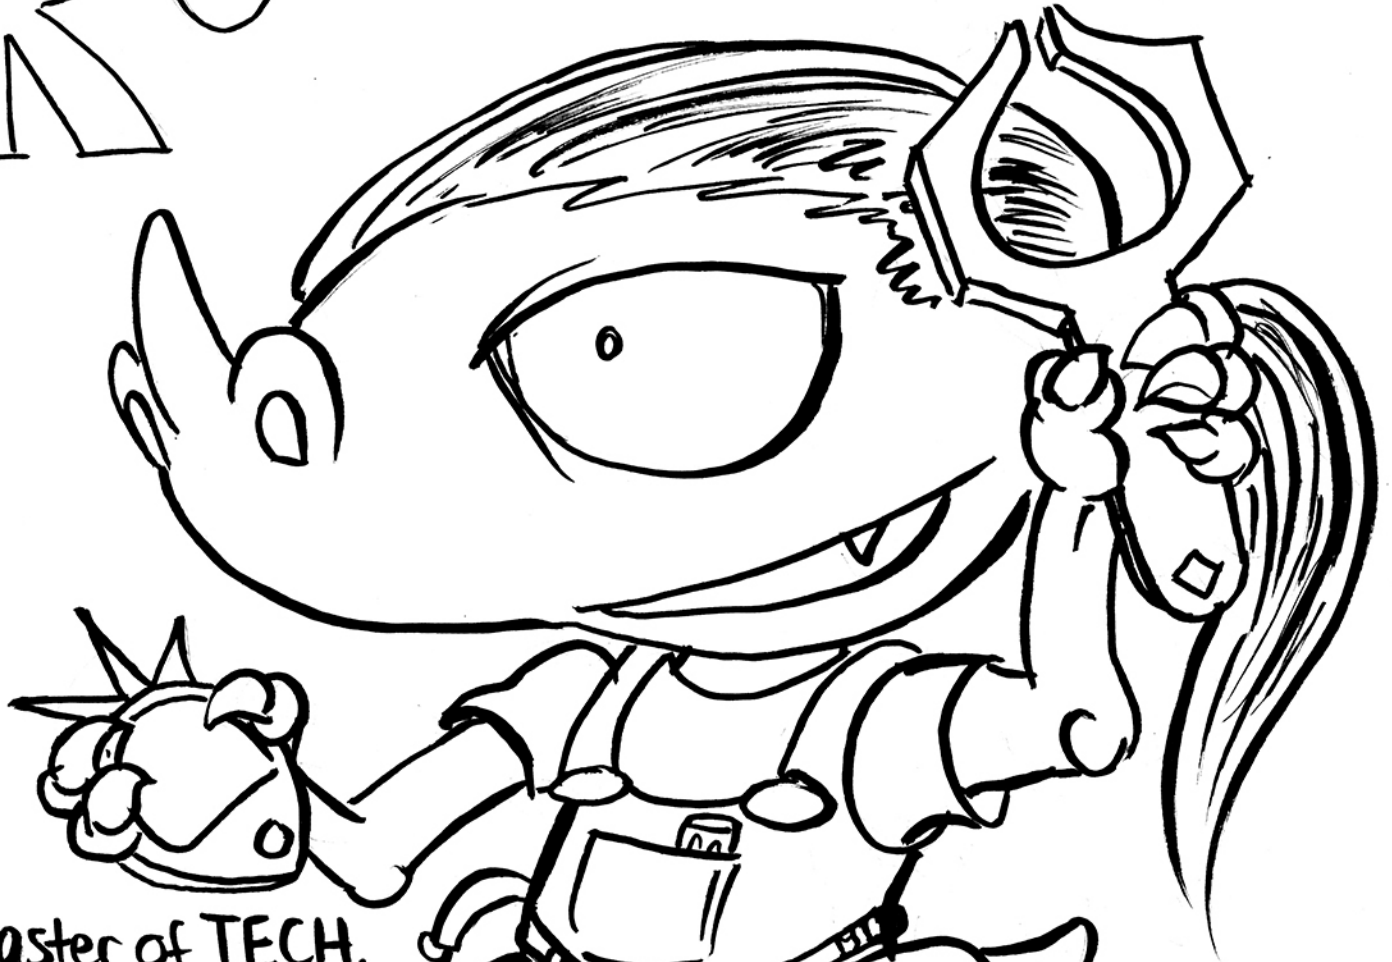

Unless your troll's a NUDIST give it COLORFUL PAPER CLOTHES.

FOR A GOOD TROLL HUNT make THREE to FORTY-SIX THOUSAND trolls and hide them around your house. TROLLS LOVE to make TRAPS - so feel free to go all RUBE GOLDBERG on the SETUP.

ROTMOSS sets up a **RUBE GOLDBERG** machine to "EVOLVE" Dragon's Reptilian Brain!
 Rube Goldberg was a cartoonist in the early 20th century whose cartoons involved overly complicated devices to do simple things. How many **CHAIN REACTIONS** can you build into your own Rube Goldberg machine?
